

**We're concerned about your health and the dangers of your next use.**

**Here are some questions worth answering to help keep you safe.**

---

- 1 Do you have a safe place to sleep tonight?**

---

- 2 Is there someone safe who can be a support to you and stay with you?**

---

- 3 Will you be willing to talk with someone who has traveled the road you're on?**

---

- 4 Are you willing to consider methadone or buprenorphine?  
If yes, have you received treatment in the past? Where?**

---

- 5 Do you need any help making or getting to your first appointment?**
