Today's Community Conversation

Small Group Discussions About Community Representation in the Governor's Task Force

Objective:

Through conversation, begin to re-evaluate where we are today and where we can strengthen community engagement in the Task Force.

Today's Community Conversation: What to Expect

1. Housekeeping and discussion agreements
2. Warm-up exercise within the large group
3. Break out into randomized, small groups
4. Discuss pre-determined questions within small groups for 35 minutes
5. A predetermined small group member will take detailed notes
6. Return to the main room
7. Notetaker from each group will share main points (three minutes for each group)

Housekeeping and Discussion Agreements

- There is no perfect; there is no end point. *Our work is a process.*
- We can't be articulate all the time, so give the benefit of the doubt.
- Our *Intent* isn't the same as our *Impact*.
- It's ok to be uncomfortable! Growth is uncomfortable.
- Make space, Take space.
- Take breaks as you need.
- We will boldly try - and every attempt will teach us more.
- We all have something to learn and we all have something to offer.
- Be curious and ask questions!

What else would help you engage?
