

NEIGHBOR TALKS

LET'S TALK ABOUT HOUSING

Resident-Led Community Conversations on Affordable Housing in Westerly

We want to hear from you. Westerly residents are hosting small group conversations called Neighbor Talks across the community to better understand residents' experiences with housing and ideas for the future of housing in Westerly. Your input will help shape the next phase of this work, where residents and partners will come together to develop real strategies to address housing challenges in our community. This is an opportunity to share your perspective and be a part of the conversation.

Your experience matters.

We're interested in hearing your experiences with housing, including:

- Finding and keeping stable and/or affordable housing (rent, costs, and affordability)
- Hopes, concerns, and ideas for housing solutions in Westerly
- How residents can be more involved in local housing decisions

✨ What you'll get: ✨

- Free meal
- Gift card
- Opportunity to share your thoughts

What to expect:

- Small group conversations (6-10 people)
- Led by community members
- About 2 hours

Choose a session

| Location | Date | Time | Registration scan or click |
|-------------------------------------|-------------------|--------------|---|
| United Theatre 5 Canal St. | Tuesday, June 9 | 6:00-8:00pm |  |
